

Liturgy Meeting Minutes (abbreviated version)
August 18, 2020

Attended: Fr. Greg, Anne Sievers, Laura Baldwin

- Opening prayer: We all contributed to a prayers of the faithful
- First Communion and Confirmation masses are going well thus far
 - Next volunteer training will be held Sept. 17 @ 6:30pm
 - Future Liturgy meetings Thursdays Sept. 10, Oct. 8, Nov. 12
 - Anointing masses:

This year we will do a special video mass instead of our usual anointing masses.

We would like to ask all parishioners to submit names of anyone in need of anointing. Those people will be named and prayed for during this mass. Father will give a special blessing. Date to be determined at next meeting.

-Ask people to submit the top things they are thankful for to put on our website for Thanksgiving. We will do a Thanksgiving video mass. Public mass will be determined at the next meeting.

-We discussed briefly the Christmas situation. We will most likely video several masses, one geared more for children/families in lieu of the Christmas Eve children's mass, and one for Christmas day. Public masses will be discussed at a future meeting.

-The idea was presented to have families video a Christmas message and perhaps a special talent (ex: family singing a favorite carol or something of the sort) that could be posted on our website for the Christmas season.

-Anne concluded the meeting with a prayer.
