**Review of 1/09/2023 PC minutes:** Reviewed, no changes.

**Review/discussion of other committee minutes:** No plans to plant any trees to replace what was cut down.

### **Pastors Report:**

- Catholic Services Appeal was kicked off last weekend at mass. Hopeful we will continue the great tradition of generosity. Have always exceed our goal in past years.
- Happy with all the Small Group offerings for Lent. Hoping more will sign up before they begin next week. Think it might take time for the online group to gain in popularity.

### **Justin mentioned:**

Estimate for new roof is over \$25,000 so proxy is required for Diocese.

Budget is in the process of being created so now is the time to bring up anything to be added.

### **Parish Council Sub-committees:**

- **SOP** – goal is for group to review for all committees that exist. Reach out to committees via email and if any changes need to add a revision log.
- **New Member Welcome:** The last one was June of 2023. Contemplating having one on 5/19/2024 at the Hugo site. Discussed idea of a new member speaking after mass or paragraph in bulletin about what made them decide to join and what they have found enjoyable/beneficial since joining.
- **Pastoral Ministry:** Happy with a new influx of volunteers but could use more to cover for the snowbirds in January, February, and March. Had a training in December for all to remind people of what procedures should be followed.

### **Action Items:**

- Thank you note for people who helped cut down all the trees and installed new door.
- Get contact information for other committees so emails regarding SOP can be sent.
- Confirm date and location of New Member welcome.
- Prayers for March meeting: Opening prayer is Liz and closing prayer is Justin.

**Closing Prayer:** Jerry
