

GUIDELINES FOR EUCHARISTIC MINISTER

Arrive 10-15 minutes before Mass.

Wear your nametag.

Check in with the check-in sheet.

At the Sign of Peace put on your mask and EM 1 should get the ciborium from the tabernacle and place it on the altar while the other EM's should come forward to the altar. All EMs should sanitize their hands using the hand sanitizer in the Ambo and then stand behind the altar. Fr. Greg will distribute Communion to you. Stay where you are, pull down your mask and consume the host. Sanitize your hands before approaching the altar to get your plate. Walk to a Communion Distribution spot (EM 3 at the center aisle -with Fr. Greg, EM 2 – on the side near the choir, EM 1 – the opposite side nearest the tabernacle). See diagram below for where to stand.

EM 2, please distribute Communion to the choir members (& video desk operator). EM 1, please take Communion to anyone needing it brought to them at their seat (EM 2 & 3 should help as necessary).

When you are finished distributing Communion, put any remaining consecrated hosts into the Ciborium, hold your plate and wait for the other EMs to be finished. EM 1 should put the Ciborium into the tabernacle. Then you may process out to place your plates into the kitchen (PCC) or Sacristy (St John's). You may then remove your masks.

Thank you!
