## CATHOLIC Engaged Encounter

*A Wedding is a Day,  
A Marriage is a Lifetime*

### What Couples Have Said About Their Retreat Weekend:

*"This was a great experience. I thought the relationship work was done in the best possible way: team modeling their experiences, writing, reading my fiancé's letters and dialoguing. Really fantastic."*

*"We have never felt closer to each other as we have this weekend!"*

*"I came a little skeptical, being raised Lutheran. I thought the Catholic religion would be emphasized in an uncomfortable way. I thank you for making non-Catholics feel very welcome."*

**Give your fiancé the gift of a weekend unplugged in a beautiful and peaceful setting, focused on one another, preparing for your life together.**

### What is Catholic Engaged Encounter?

Catholic Engaged Encounter (CEE) conducts marriage preparation retreats worldwide throughout the year. This professionally developed and Pontifically Blessed ministry has operated in the Archdiocese of Minneapolis and St. Paul for over 40 years, preparing couples for the Sacrament of Matrimony. CEE is staffed entirely of married couples, priests and deacons. There are no paid presenters, just married couples and clergy who care about marriage, speaking openly and honestly from a real life perspective on marriage.

### How is CEE's retreat format different from other marriage preparation programs?

CEE offers an intimate experience in a peaceful and private setting on beautiful Buffalo Lake. The retreat is a unique opportunity to communicate on a deep level with your fiancé on important topics you will face in married life. This overnight retreat format fosters the sense of togetherness, unity, and an uninterrupted focus on your fiancé and relationship that may not be present with other "go home" formats. CEE also highlights couple prayer as an integral part of marriage through God.

*All of our weekends are held at Christ the King Retreat Center overlooking beautiful Buffalo Lake in Buffalo, MN. Mail your registration early. Weekends fill up quickly!*

## What Happens on a Weekend?

A team of two married couples and a priest or deacon will guide you as you explore topics including communication, conflict resolution, finances, intimacy, forgiveness, decision making, marriage as a sacrament, an introduction to natural family planning, God and prayer. After each presentation you and your fiancé will be given ample time for private reflection and conversation on these topics.

## Do You Have to be Catholic?

No. Catholic Engaged Encounter welcomes engaged couples of all faiths preparing for marriage. Please note that our weekend does follow the Catholic Church's teachings.
