SAVING MARRIAGES FOR MORE THAN 25 YEARS

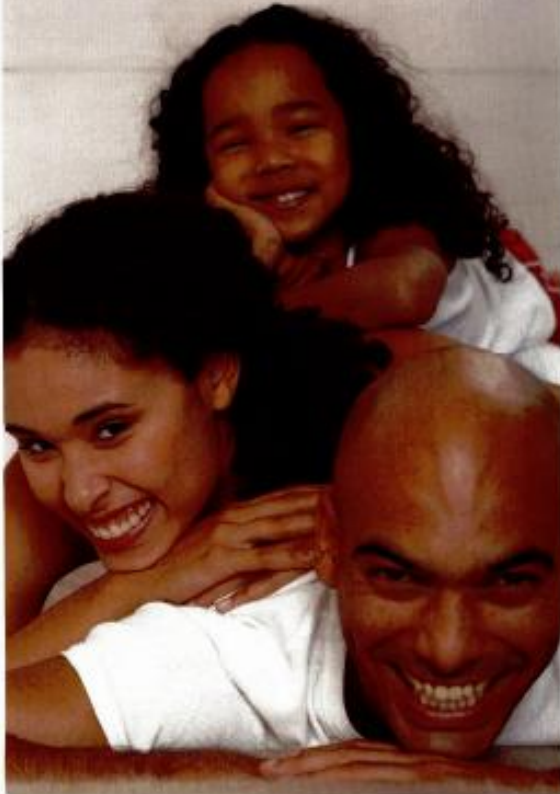

hope is out there

"Our weekend was a miracle, we got our marriage back on track."

"The program helped me save the most valuable thing in my life."

"It was a new beginning after much darkness and pain."

"We're not sure if God brought us to Retrouvaille, or if Retrouvaille brought us to God."

save your marriage

Twin Cities Retrouvaille welcomes couples struggling within their marriages. As a community of married couples, we believe every marriage deserves the opportunity to survive, be healed and thrive.

Weekends are held six times a year from Friday evening until Sunday evening at a hotel in the Twin Cities area.

Retrouvaille is here to help you. Your marriage will not improve on its own. Don't wait another day. Call today to talk to someone, for more information or to sign up for a weekend.

you are not alone

Retrouvaille (pronounced re-tro-VI) is French for rediscovery. Through Retrouvaille, a rewarding marriage is out there for you, despite the pain and struggles you may be facing right now.

Retrouvaille begins with a weekend experience. You will learn to re-establish communication and gain new insights into yourselves as individuals and as a couple.

All presenting couples have all been through Retrouvaille. They have experienced disillusionment and pain in their own marriages. They offer hope as they share their pain, struggles and successes in rebuilding their marriages.

continued commitment

The pain of falling out of love cannot be healed in a weekend. Retrouvaille is here to support you during your weekend and post weekend sessions in which you learn more ways to strengthen your marriage.

The weekend and post sessions are not spiritual retreats, sensitivity groups, seminars or social gatherings. Nor are they counseling. You will not be required to share your problems with anyone.

Retrouvaille helps married couples in all stages — young or old; separated or divorced; children, no children or empty nesters. We all share the same goal of building a stable, loving and joyful marriage.

marriage takes effort

With today's societal pressures, marriages can be taken for granted. Your marriage requires attention and care or it can wither. Many couples are married in name only, often together "for the sake of the kids."

Are you and your spouse suffering from drifting apart, alcohol abuse, drug addiction, infidelity, conflict and anger, poor communication or other barriers to a strong marriage? Bring the joy back to your marriage. It's worth saving. Retrouvaille can help.
