## I am the Bread of Life

*"I am the living bread that came down from heaven; whoever eats this bread will live forever; and the bread that I will give is my flesh for the life of the world." – John 6: 51*

Throughout the Gospel accounts, we've heard the miraculous stories of Jesus healing the lame, bringing sight to the blind, feeding thousands with practically nothing and even raising the dead. Some saw Him as a prophet, and some may have even thought He was a magician or doing unexplainable tricks. But the number of believers grew into the thousands. The Jewish people had been awaiting a messiah, but their expectations were very different from what Jesus was doing and saying.

Jesus appears not as a king or a strong military leader, but rather the humble son of a carpenter. This causes doubt among some despite the great works that He has been performing in their midst. He assures them that He is the one sent by God and ties belief in Him to eternal life. Jesus tells them that He is the Bread of Life and whoever believes in Him will have eternal life. So, do they go all in to follow Jesus, or do they wait for who they expected the Messiah to be?

The same can be said of us today. Many people, even Catholics, have trouble grasping that Jesus is the Bread of Life, that His flesh is true food for the world. This is part of the great mystery of our faith. Our minds cannot comprehend eating human flesh or drinking blood. It is Jesus, truly present in His Body and in His Blood who sustains us as we journey through life. If we are to be the people that God created us to be and fulfill the mission that He gave us to spread the Good News, we need to feast on His Body and Blood. Unfortunately, many put their faith and trust in the things of this world which are passing - money, possessions, or prestige - and not in the things of God who is eternal.

If you truly believe that Jesus is the Messiah, the Son of God, who is the Bread of Life, then you WILL have eternal life. But it takes courageous faith to believe and proclaim this as we do in the creed, and just as importantly, to live it. Have the courage to live what you proclaim so that you can go out and courageously transform the world.

### Annual Pastoral Appeal

The Office for Marriage & Family Office exists to build up the Body of Christ in the Diocese of St. Petersburg by providing a Catholic vision of Sacramental Marriage as an icon of the love between Christ and His Bride, the Church, by validating the family as holy in all of the various dimensions that constitute the family unit, and by regarding the parish community as a family of families and small communities. We offer marriage preparation and enrichment, partner with programs and organizations for marriage renewal and pastoral care, and serve as resource/consultant for parish processes and programs. We are home to the Strong Catholic Families initiative that empowers parish and school leaders to partner with parents in building the domestic church and support parishes in ministering with families throughout the family life cycle. We offer training to parishes in forming and developing small Christian communities as vehicles of missionary discipleship and in incorporating faith sharing into all aspects of parish life. We support parish and diocesan men's and women's ministries. We recognize the multicultural make-up of our Diocese and provide and accompany processes, services and programs in English and Spanish.

We are a community of steadfast servants to the Gospel, coming together to grow in our faith, nurture our children with a love of God and progress toward the greater good. Every pledge helps those in need of services within our Diocese.

We can do this! With a few more donors joining the ranks, now is the time to add your pledge and help us to make our share needed by the diocese of **\$85,661**. To reach this goal, support from every family helps. Thus far we have received **\$75,191** in pledges and **\$68,073.30** has been paid by 226 families.

Our **summer** attendance at Mass is at 550 people. We need 100 pledges at \$150, or 50 pledges at \$300 to make our obligation this year. Thank you for your pledge. Envelopes are at the church doors. Fill it out and drop in the basket. Thank you for doing your part and God Bless you.

**School Supplies:** School will be starting up this Tuesday, Aug. 10<sup>th</sup>, and we're currently running our Back to School Supply Drive. There is a box labeled School Supplies in the Social Hall of the church with a list of the needed items. A couple of items we are in great need of is backpacks and plastic pencil boxes. Please buy one or two of these items and drop them in the box for our needy families. As always your support is greatly appreciated!

### Year of St. Joseph

#### Joseph, Model of Obedience

*Joseph, Most Obedient, Pray for us*

Each request given to Joseph by the angels is obeyed by him with trust and without question or objection. In every situation, Joseph's obedience is as simple as his faith; as humble as his heart; as prompt as his love; it neglects nothing; it is universal. Such should be our obedience. Like Joseph we also glory in observing civil and moral laws, by obeying all requests faithfully without privilege of exception, but rather to fulfill all just. (Excerpts and paraphrase from Eymard Library: Vol. 8, Ops. 66-69.)

Saint Joseph, by your example, you have taught us to do the Father's will in all things. Obtain for us a share in the perfect obedience Jesus offered his heavenly Father. Amen.

### Joyful Ever After

It's not too late to get the marriage you want!  
--Take the E.P.I.C. Intimacy Challenge. Did you know that most marital frustration and conflicts are the result of what has been labelled EPIC Drift? Rarely is it one isolated incident that causes a problem in a marriage. Rather, it's a series of small communication breakdowns across four key areas of intimacy that take place over time:

**Emotional intimacy-Physical intimacy**

**Intellectual intimacy-Communicative intimacy**

These unresolved intimacy and communication breakdowns create a drifting apart between the husband and wife which plays out in a host of negative ways from a general unhappiness and boredom to real resentments and escalating conflicts.

Damon and Melanie Owens have created the **four day EPIC Marriage Intimacy Challenge** to help married and engaged couples learn how much they really understand each other and identify, prevent, and repair those areas of drift present in even the best of marriages.

**The EPIC Challenge is fun, 100% free to sign up and only takes a few minutes a day.** Take the challenge! Your marriage is worth it!

## Nineteenth Sunday in Ordinary Time

JOIN our S.V.de P. Society

**Wish List This Week:** We are still in need of the regular items we pass out such as cereal, soup, canned meat, peanut butter, pancake mix and syrup.

In this Gospel the love that Jesus reveals through the symbol of bread is: self-giving, sacrificial, healing, forgiving, in solidarity with the weak, confident in the power of God.

**During the hot summer months many of the elderly, especially those who are sick, are not able to find relief from the heat. Please help the Society of St. Vincent de Paul to bring respite and hope to them.**

*Thank you for your support, the SVdP Society is made possible by your participation in serving this ministry.*

**John 15:5** *"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit."* Jesus describes here the essence of a fruitful Christian life. By faith, we must stay connected to Christ every second of every day to live the most God-honoring and abundant life of peace and fruitfulness in Christ. After explaining to his disciples how his Father is the gardener that prunes each branch so that it can bear more fruit, Jesus urges them to stay grafted to the vine. The image is powerful, but how does one stay connected this way?

Janice Van Der Henst is creating the front entrance to our church. It is a mosaic of the vine and branches from John 15. Next Saturday come to the social hall and help to fill in the pieces need for the new floor

God intends us to be mindful of him and to pray without ceasing. He instructs us to be filled continually with his Spirit so that we can walk by his Spirit. The fruit that Jesus means for his disciples to bear is that of the Holy Spirit; love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (Gal 6:22-23) and also that of effective ministry. Abiding in Christ will cause us to love the Lord with all our heart, soul, and strength and love our neighbor as ourselves. In this way we will exhibit all the fruit there is, guided by God, and having put to death the works of the flesh (Rom 8:13). Christ is the vine from which all power flows for the life of his people, the branches.

### Echoing God's Love

If we were in the mountains or a tunnel, you could hear an echo, but we are not in any mountains or a tunnel, so we had to pretend. But what is an echo? It is a sound that comes back to us from a sound that we have made. It imitates us.

Saint Paul said that we should be imitators of God. How do you think we could imitate God? Do you think we can create a world? No, we can't create a world. How else could we be imitators of God? We can't die on a cross and forgive all of the sin in the world. Only God could do this in Jesus. We can't walk on water or turn water into wine. Only God could do that kind of miracle.

But Paul said we should imitate God. God does something and we should do something like God. What do you think we could do to imitate God?

Paul said we can imitate God with his love. In other words, we can love other people like God loves us. We can forgive other people like God forgives us. We can share with other people like God shares with us. Boy, would that change the world!

Imagine how much God loves us. He is with us all through the day and watches over us at night. God gives us good feelings like the feelings we have for our moms and dads and grandmothers and grandfathers. Paul says we can imitate that kind of love. We can go out of our way to show people how much we love them.

Today, when you go home, tell your family that you are going to imitate God by loving everyone you meet. Tell all of your friends that you are an imitator of God when you forgive them or when you tell them how much you love them.
