

#### FOOD and NON-PERISHABLE DRIVE

Christ's Cupboard Food Pantry on Roberts Road is in need of many non-perishable items to support our local families in need during these difficult times. Items such as can and boxed goods, cereals, pastas, sauces, spices, cleaning supplies, personal hygiene, baby food and dippers, new packs of socks and underwear for male, female and kids. These are some examples of non-perishable items that our local community could use. Gift cards are also welcomed!

To help our community, Saint Vincent de Paul will hold a collection day on **October 18, 2020** at the **beginning of each Mass**. Please stop by with your donation of any size.

May God continue to bless you and your families.
