

# In My Father's House...Building a Place for You

Dear Parishioners,

The construction of the **Parish Family Center** is so very important. While our church is where we come together to celebrate the Eucharist, the **Parish Family Center** will be a place where we all can grow and share in the love of Christ through fellowship, athletics and learning. Please take the time to prayerfully consider your support for the **In My Father's House...Building a Place for You** campaign, fill out the Pledge of Support form, and return it to the parish office as soon as it is convenient for you. If the suggested monthly contribution is more than you can afford please do what you can. Our success depends upon the entire parish community making a sacrifice. God will bless you for it.

Father John  
Pastor, San Juan Del Rio Church

## SJDR PARISH FAMILY CENTER

The renderings depict the location and proposed layout of the **Parish Family Center**. The \$3.6 million figure that has been discussed allows for the construction of a two-story building that is finished on the first floor but also includes an unfinished second floor along the perimeter of most of the building.

The planned location is directly across from the current parish administration building and adjacent to the parking lot. The kitchen area for the center (upper right hand corner) will be in close

proximity to the school's existing kitchen facility so we are able to take full advantage of both when needed.

The first floor will include a segregated classroom area (in green) so that the many meeting spaces (in yellow), also located on the first floor, can be used by adult ministry groups simultaneously. The gymnasium/auditorium hall will be constructed in such a way that it will easily accommodate youth and adult athletic activities as well as large parish social events, receptions, and whatever combined programs we, the parish family, can conceive.
