Dear Parishioners,

I realize that many of you have questions and concerns during these unprecedented times. I want to reassure you that the priests, deacons and staff are available to arrange for whatever assistance is needed, including confession and anointing of the sick. Though, all weekday and weekend Masses are closed to public participation, I along with the priests of our parish will continue to offer daily Mass and weekend Masses for the intentions in the book.

Information can be found on our parish website for televised Masses and online worship resources, I encourage you to stay connected to our parish family through phone calls, emails, the parish website and Facebook.

During these difficult times it is important to remember that God is in control. Though we are facing challenges, we have also been provided an opportunity to draw closer to God, pray daily, read scripture, support and comfort one another.

May God Bless you and your families.

Sincerely in Christ,
