

Meeting notes: Parish Council 12-17-2020

Jim Sullivan, Dave Pfarr, Joyce Swenson, Jeff Schulz, Fr Chris Shofner, George Riviere, on Zoom

Nov Meetings on Jim's computer. Will send out.

Fr Shofner updates: preparing for Christmas Masses, good sign up to this point with assigned seating. Hoping we can keep all people happy regarding the in church worship. Many church's in town not celebrating in person. Year of St Joseph with parish activities and remembrances set up throughout the year with fathers day a special day for St Joseph devotion. Talked about the Hail Joseph prayer and the Novena to St Joseph.

Church facilities, boiler maintenance questions regarding long term maintenance and care. Still unresolved. Very expensive to call professional help on boiler and heaters if there is a problem. Need constant maintenance to keep it running. Predicted to have long life if cleaned and maintained.

Live Streaming masses – update from Jim. Jim is streamlining the live streaming process. Wired microphone, WiFi access in church a suggestion. Jeff Schulz and Jim Sullivan will collaborate on looking into wiring the church from the rectory.

Usher update: George Riviere communicating with Shawn and Adam on Christmas mass ushers and keeping all safe that attend. Cleaning after mass improved with ushers and others helping out to sanitize.

Stewardship committee update: Megan Roby working in concert with committee to put St Annes on Instagram and other social media platforms. Advertising the features and benefits of our Parish and School. Gala scheduled for next fall 2021. Theme based but not announced yet.

Round Table: no complaints regarding mass or arrangement.

January 21st for next meeting. Fr will be with family but will attempt to join on internet.

Motion by Dave Pfarr to adjourn, Jeff Schulz on second to that motion.

Closing prayer by Fr Shofner
