Description	Come to take an in-depth look at the Our Father prayer. Fr. Mike Schmitz recorded teachings will help us break down the prayer over a 6-week period and gain a deeper understanding and meaning to the beautiful words we are praying. This will be a relaxed setting with good conversation and no homework.	We'll talk about how the Lenten disciplines help deepen our faith and draw us closer to the heart of Jesus as we turn our attention to his sacrificial love and mercy.	A five-week session developed for small groups on learning how to pray from the heart.	We will meet to pray, give praise to God and to share and grow in our faith.	The over scheduling and pace of today's world can leave very little time for families to keep Christ at the center of the family. During these four sessions we will talk through these challenges and learn how to keep Christ at the center of raising a faith-filled family.	Lord, Teach me to Pray: includes a 5-week session with video	Come for friendship, prayer through scripture and music. We will explore monthly saints and have discussions on the power of prayer in family life, balancing faith in busy lives and celebrating growth and faith in our families.	This group is for young men (single or married) who desire to grow in their relationship with Jesus. Using Scripture and other resources, we will explore who God created us to be and the unique challenges and obstacles that we face in living out our God-given call as men in the world. We will pray together and hold one another accountable to spiritual goals that we set for ourselves. This group will allow men to be open and honest with others who have the same goal to grow as Catholic men.
