

OPERATION ASSISTING SANTA

Once again this year, Saint Luke Parish has generously agreed to help with our project “Operation Assisting Santa”. Our mission, in conjunction with local veteran organizations, is to ensure local veterans and their families, who might not be able to do so otherwise, have the Christmas they truly deserve.

We will put up the Angel Trees for Masses starting Saturday, November 7th. There will be two cards stapled together on the tables. One card will contain the family number, the gender and age of the child, along with what the child would like for Christmas. The card is to be returned with the unwrapped gift(s) by Sunday, December 6th. The second card (that coincides with the child you have selected) will contain a place for your name and phone number. After filling out the second card please place it in the box marked “Operation Assisting Santa.” This will help us keep track of which child has been adopted and by whom.

For those who are not attending Mass in person, please contact Mooch Zielewski directly at 814-823-6506 to receive information on a child.

Anyone wishing to donate gift cards, especially Walmart cards, can just deposit them in the “Operation Assisting Santa” boxes. Monetary donations are always welcome. Checks should be made payable to “Erie Vets Hospital” and can also be deposited in the “Operation Assisting Santa” boxes.

I would like to take the opportunity to thank St. Luke Parish for their generous support throughout the years.

Always remember, if not for the brave service of our veterans, Active Duty personnel, and the sacrifices of their families, no one, not a single individual, would be able to enjoy the tremendous freedoms this great country has to offer.

Thank you in advance for any consideration of our project.

Mooch Zielewski – coordinator **Operation Assisting Santa**
