

# *Santa Nino Fiesta 2020 Photo Collage*

The Feast of the Infant Jesus was held on a beautiful Saturday with a great participation of our parishioners as well as parishioners from other neighboring parishes. People joined the procession being led by our pastor, Fr. Scott Herrera. The procession ended at the hall center where the luncheon reception was held.

There were fun games for the children and entertainment (music by DJ Rey and guests dancers) for the adults. We were thankful for this celebration in honor of the Santo Nino.

We thanked the choir group who provided the music during the Mass and the procession. Our sincere gratitude to the priests and deacons who supported our novena and helped us to promote the Santo Nino devotion.
