“Ignorance of Scripture is ignorance of Christ”

– St. Jerome

A loving personal relationship with Jesus involves reading and studying His Word.

In the Sacred Scriptures, we encounter Jesus and the depth of His love in the story of our salvation.

This year we will study in detail the *“Gospel of Luke”* and the *“Acts of the Apostles”* within its literary, geographical, and historical context. PowerPoint slides and handouts are provided.

We meet every Tuesday evening. For more information, contact
