

**Faith Formation Update
Level 1
Ms. Shannon & Ms. Jane
September 2018**

- **Welcome to Level 1! Ms. Jane and I are so excited to be teaching your children this year. Thank you to those who stopped by the class on our kick off night. Please be sure to check OLOW.org for Faith Formation updates monthly.**
- **Orange folders are very important. Please send them to class every week. Please be checking their folders and reviewing materials at home. Will be sending home take home discussion pages for each chapter, to help prepare for the next class.**
- **If your child is absent or we have a snow day, chapters will need to be made up at home. Every few chapters we'll have a unit test. Study guides will be sent home to review for these.**
- **Level 1 required prayers were sent home last night. Please keep this paper in the orange folder all year and practice frequently. This month we will be practicing in class, 'The Sign of The Cross' & 'The Glory Be'.**
- **We are always accepting food donations/hygiene items for our food pantry. Students will collect 1 ticket for every item brought in. Once they have collected 5 tickets they may pick a prize from our prize box.**
- **We look forward to a fun year! We will learn from our book, have class discussions, read the Bible, and enforce learned materials with hands on activities & crafts as well as stories & movies. If there are ever any questions or suggestions, please don't hesitate to see us and let us know. Thank You 😊**
