

Church of the Redeemer
Pastoral Council Meeting Agenda
Date: November 15, 2017

- Evening Prayer in Worship Space
- 6 p.m. Presentation on PushPay App with members of Finance Council, Stewardship Council and parish staff.
At the beginning of Pastoral Council, there was a short review of the presentation with members who were not able to attend.
Everyone had a generally good impression.
The Cathedral of Sacred Heart uses this app now. It was suggested that staff reach out to Cathedral to get their feedback on the system.
PushPay creates an app for the church.
It provides the ability to add special/one-time donation opportunities and to turn on/off various donation opportunities.
It provides the ability to push messages to subscribers. Subscribers can select the categories of messages they would like to receive.
We should compare the PushPay costs with the current costs of e-Giving. Cost is \$6,500/yr plus transaction costs (i.e. \$0.30 + 3% for credit cards)
- Welcome Youth – Nora Mouer & Caleb Kulinowski
Youth were unable to attend.
- Reports
 - Finance Council Liaison Report Review – Tom & Rob
Finance Council had a lengthy discussion about the new sound system. The Committee received responses from 4 companies. Consensus is that new speakers will be needed. Finance Council had suggested that the committee request a sketch of what the new speakers will look like.
New doors are scheduled for installation after Thanksgiving. That will be followed by the installation of key fobs.
 - Pastor Report
Columbarian – Fr. Jay has contacted Deacon Handel and expressed the parish's continued interest. He is awaiting a response from Deacon Handel.
