Pastoral Council Meeting Agenda

Date: May 23, 2018

- Review of Liaison Reports:
 - R.E. and Youth

There will be no VBS this year since no volunteers came forward to lead the event.

Youth are planning a trip to Kings Dominion. The trip will include a concert by Toby Mac.

Youth are creating a Thank You video that will be shown on the kiosk in the Commons.
 - Human Concerns

The Prison Ministry is growing with more volunteers.
 - Stewardship Council

No Stewardship Fair was held (only a few of the groups/committees indicated interest/availability). It will be re-scheduled for Feb 23.
 - Liturgy/Worship

PC signed a card of appreciation to share with Erin for her hard work over the first half of the church year.

The Accent Committee needs a leader for the Advent and Christmas seasons.
- Vice-Chair Report

Nominations/Elections – 13 people attended the Informational meeting. So far, 4 have indicated an interest in running. Elections will be held June 9-10. Absentee ballots will be available.
- Old Business

PC Suggestion Box

 - *Groups using the church space for fundraising activities should donate 10% of their intake to the Church Building & Repair fund. The Knights have discussed having a fundraiser specifically for the Building & Repair fund. All other groups would be encouraged to support the event. Jane will inform Bill on Finance of the discussion. Fr. Jay suggested that we should consider “big impact” fundraising efforts similar to a capital campaign.*

- New Business
 - Invite newly elected PC members to June PC Meeting? Yes
 - Feedback summary
 - *Music Liturgy – Were any of the negative comments able to be addressed? Yes. Continuing to pursue new speakers for the Worship Space. Perhaps have Brian share a reflection on the time commitment and personal impact of the Music Ministry on his family.*
 - *Challenges*
 - *How to engage the community? Good News has low readership. However, Weekly Reminders are well received. Can we incorporate the Corporal Works of Mercy into our worship by having a monthly focus (perhaps inclusion in the Homilies)? Solicit feedback from recent catechumens and new parishioners about why they chose Redeemer.*
 - *Reverent atmosphere vs. Social engagement (before Mass). How do we maintain our strong community relationships and still encourage reverence? Consider having a prelude after the pre-Mass announcements to bring everyone into a more reverent focus.*
- Closing Prayer: Rob C
Rob shared a recording of Chanting that he first heard while at St. Meinrad's "One Bread One Cup".

Next Meeting Date: June 27, 2018 (Mike)
