

Together We Rise

Stop by the Haiti table after masses –

May 26 through June 10

Redeemer supports the AFAL School – 10 classrooms and over 600 students. Funds will ensure that basic student needs are met and teachers are paid a fair wage.

Let us come together to gather & share, laugh & play, learn & rise. Let us come together with a shared vision of bringing about the kingdom, here and now.

For Haiti's children. For our children.

For God's children.
