

## Preschool- Pre-Kindergarten

Mrs. Peggy White- PreKindergarten Teacher

- I am excited to be back in Pre-K/Preschool this year! I came to St. Matthews last year and taught 4th grade. Although it was a great experience, I am happy to be back with Pre-K. I love teaching and watching how much these little people learn and grow in their first few years of school!
- I received my Bachelors and Masters in Education/Early Childhood from the University of Nebraska in Omaha. This is my 21st year of teaching!
- I have two children: Jami is a 3rd grade teacher and Derek owns a Lawn Care business. I have 5 grandchildren: Brayden, Cameron, Carter, Mckenna, and Harrison. They are a joy in my life!
- I have been married to my husband Rick for 42 years. He is a retired State Patrolman. He now works security at Papillion South and co-owns a lawn care service with my son.
- I enjoy time with family and friends, movies, cats (especially my Missy!), and oldies music!
