SUNDAY OF EASTER

"I have other sheep
that do not belong
to this fold. These
also I must lead,
and they will hear
my voice, and
there will be one
flock, one
shepherd."
- Jn 10:17

April 25, 2021

Jesus is the true and authentic cornerstone and shepherd. It is only in following the Risen One as the way, the truth, and the life that we can move from being well grounded ethical people to properly focused moral ones. Proper conduct, a true sense of justice, wisdom, virtue, moral principles, faith, hope, and love will be difficult to find unless we listen to the right Voice. It is when we learn to listen to the voice of God that we begin our journey on the road to salvation. It is only the Good Shepherd, the authentic and solid cornerstone, who can guide us through life's questions and challenges and bring us to the safe and proper pasture.

LIVE THE LITURGY

Inspiration for the week

The cornerstone is the first stone that is laid and the stone that not only determines how the other stones are placed but the position of the entire structure. As human beings, we need a cornerstone or reference point so that our lives can be properly placed and positioned. Our cornerstone determines not only how we see ourselves but who we will become. Without a cornerstone or reference point, we will be disconnected, disoriented, and poorly positioned for effective action in our world. In order to be the children of God we are, Jesus Christ needs to be our cornerstone and the reference point for all that we do. He alone is the Good Shepherd who can guide through life's questions and challenges, bringing us to proper pasture. Without this proper base, we can easily fall into the trap of self-aggrandizement and quickly lose our way. If that happens, then moral principles, proper conduct, justice, wisdom, and virtue will be difficult to find. We need to listen to the right voices and allow God to show us how to build our house well. Salvation only comes from God and only God will protect us, no matter the cost.

the good
