

# Need a Date Night?

Join us for an hour  
after Saturdays 5pm mass in the Church hall  
before you embark on your dinner date.

April 14th, May 12th, and June 9th

Building and strengthening marriage begins with husbands and wives making time to be with each other and having fun together. Let's meet and socialize with other married couples, engage in some stimulating conversation, and then go off on a dinner date by yourselves. You can make reservations at one of our local restaurants. Plan to be back by 9pm to pick up the kids.
