

Divine Renovation Workshop

On Saturday, September 8th, we hosted our second in a series of workshops centered on Fr. Mallon's book *Divine Renovation* as we faithfully continue on our journey to spiritually revitalize and transform our parish - to truly make IC "the place to be." Many thanks to Jennifer Delvaux, our knowledgeable presenter, for kindly guiding us through our workshop. We are mindful that our parishioners have many demands upon their time so please know that we genuinely appreciate all of those who have displayed their commitment to our parish by reading the book and electing to participate in one of our workshops including: Mary Ann Bangert, Claudia Kech, Nancy Kremer, Jack & Margaret Kroll, Mike & Mary Leahy, Phil McGrath, Bridget Ozolins, Ed Peters, Martha Petramala, Ed Pudelek, Suzanne Witz, Ronald Yak, and Joe Yau. Also in attendance, representing our Parish Staff (along with Fr. Robert): Deacon Ron Gronek. Special thanks as well to 2 members of our Parish Council, Nancy Kremer & Suzanne Witz, who kindly assisted us by organizing the lunch portion of our workshop.
