

QUESTION:

How can I help my Parish financially without actually digging deeper?

ANSWER:

Use gift cards from SCRIP for things you already buy. Easy peasy.

HOW DOES IT WORK?

After Mass, purchase gift cards for participating local businesses and a percentage is given back to St. Mary! So before you get your groceries, fill your gas tank or dine out, pick up your SCRIP gift cards and support your St. Mary without spending a cent more than you already planned to. It's the easiest and most budget-friendly way you can help!

WHAT DO I DO?

Easy Peasy Method:

Simply drop off your completed order form (other side) in the west wing before Mass. Your order will be ready for you to pick up on your way out after Mass.

OR If you don't want to fill out an order form, simply visit the west wing after Mass and tell the Scrip rep what you would like, pay for it, and be on your way. It's still pretty easy peasy.

WHAT IS AVAILABLE?

See order form on other side.

HOW DO I PAY?

Checks preferred. Cash accepted. Sorry, no credit cards.

WHEN DOES IT START?

Beginning February 9th, volunteers will be in the West Wing every other week-end making SCRIP available for you to take home with you for immediate use.
