

## Important Information regarding 2020-2021 PSR

It is important for parents to attend this meeting as we will discuss the upcoming year, give out calendars, do the registration, and give out handbooks.

**Once PSR begins, there will be NO registration.**

**All students should be registered BEFORE the start date which is August 16.**

- After registration is completed on August 2<sup>nd</sup>, we will begin preparing the rooms and ordering the books. The DRE will contact parents by August 13 to let them know which room their child will be in and any other important updates.
- Registration information will allow us to match the size of the rooms with the number of students in each class. We will also be able to ensure a mask for each student.
- If your child will be receiving First Holy Communion or Confirmation, parents should bring a copy of their baptismal certificate to registration.
- Registration will be in the gym. We will have a group meeting and stations for registration after the meeting.
- If you have multiple children, you will be able to register them all on the same day. This means you only need to attend 1 of the registration dates. It would be best if you attended the meeting of the child you have in a sacramental class. For example if you have a 3<sup>rd</sup> grade child who will be receiving First Communion this year, a 5<sup>th</sup> grader, and an 7<sup>th</sup> grader, attend the July 12<sup>th</sup> meeting at 9:30 and register all children then. It is important that you attend the sacramental class registration if you have a child receiving a sacrament because there will be additional information. If none of the children are in a sacramental class then you can attend the first available registration date.
- Only 1 parent needs to attend.
- Babysitting will not be available.
