

Susie Henton Kindergarten

I have been a teacher at St. Charles Borromeo Academy for over 30 years, mostly in 2nd grade but more recently in Kindergarten. I love teaching a 2nd generation of students as our alumni come back with their children. I enjoy working at St. Charles Borromeo Academy because of the loving, caring atmosphere. We are a family. I've been lucky to have my five children graduate from St. Charles. They graduated with a strong faith, strong academic skills, and lifelong friends. My hope is that the children I teach graduate with these same skills.

Favorite saint: St. Juan Diego because of his devotion to the Blessed Mother and the Eucharist.

Favorite book: *The Boxcar Children*- I loved these books as a child and love sharing them with my students every year.

What is one fun or surprising fact about you?: I used to be a travel agent.
