

Liturgical Environment Ministry –

Our main purpose is to create an environment that enhances our worship. This begins at our front doors by creating a warm, welcoming Gathering Area to foster fellowship. It leads into the nave and sanctuary of the church to provide a space for a meaningful prayer experience. Anyone willing to assist our team is welcomed. Parishioners with artistic skills, interior or floral design, ironing or sewing ability, or a knowledge of the liturgical seasons, are greatly encouraged and appreciated.

We meet the last Monday morning of the month for 1-2 hours decorating and cleaning up. Of course, more time and helpers are required at Christmas and Easter. For more information, please contact Brenda Scheiman at the parish office 330-483-3808.
