Registration is required for Baptism, First Communion, Confirmation, Marriage and enrollment in our religious education programs. To register, please contact the parish office during regular business hours, register online or pick up a parish registration form which can be found in the pamphlet rack near the Reconciliation Room. ### **Mission Appeal Projects from the Catholic Diocese of Nyundo, Rwanda**

I am Rev. John Bosco Musinguzi (prefer to be called Fr. Bosco), I work for the US Navy as a Hospital Chaplain at the Naval Medical Center San Diego (NMCS). I live at St. Agnes Catholic Church in Point Loma – as a Priest In-Residence. Originally, I come from Uganda. I worked in the Catholic Diocese of Nyundo in Rwanda right after the genocide before I relocated to the US. I am here delegated by the Bishop of the Catholic Diocese of Nyundo in Rwanda, to speak on his behalf. The Bishop is working on 3 projects where he needs your financial assistance:

1. **Orphanage Being Remodeled into an Elementary School:** The people of Rwanda experienced genocide between the Tutsi and Hutu ethnic groups in 1994- and over one million people to lose their lives. The Diocese lost 35 priests. The genocide aggravated the problem of orphans in the country. This led to the establishment of many orphanages in the country. The Diocese had all along been running a big orphanage. After couples of years after the genocide, the government came up with a new policy to close all orphanages in the country. The government idea and vision were to see that all the children in orphanages are given an opportunity to grow in a family environment where there is a father and mother figure, learn family values, belong to a family, and to a community. The government took some time to mobilize people to open doors of their homes and welcome these orphans in their families. Fortunately, the people responded positively to the government plea and accepted orphans in their homes. With the closure of orphanages in the country, the Diocese remained with empty buildings. The Bishop with his leadership team in the Diocese decided to remodel and renovate the buildings to gradually turn them into an Elementary school for the benefit of the children from the local community to have a school. Each year the Diocese adds a classroom for space for the school to admit more children.
2. **Vocational Training for Young-Single-Mothers:** there is a new pastoral challenge of young-single-mothers. These are young girls dropping out of school because of poverty and the impact of Covid-19. The Bishop has established Vocational Training Centers to empower these young-single-mothers with technical skills in tailoring, catering and haircut salons which they can use to create jobs to have a regular income to help themselves, care and educate their children.
3. **Medical Clinics:** The Diocese runs 17 medical clinics. There is need to maintain a supply of medicine to help treatment of those who are poor and cannot afford medical bills.

Thanks so much for your support and generosity. May God bless you always!

Very Respectfully,

Fr. Bosco
