

GIFT—Growing in Faith Together

GO "FISHING!" WITH JESUS!

FISH! PHILOSOPHY AND THE GOSPEL

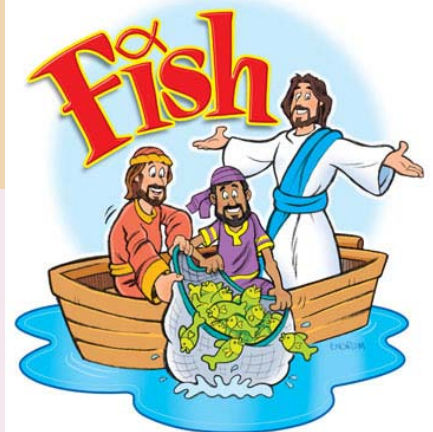

Sunday Feb. 25
9:15-11:00 a.m.

Breakfast, Presentation, Video
and Discussion!

There is a famous philosophy and video created by two researchers who tried to figure out why Pike's Fish Market in Seattle is so successful. It's been used by schools, businesses and churches all over the world. However, what most people don't know is that the philosophy is actually based on Gospel values. Come experience FISH and get a new perspective on how we can live the Gospels this Lent and beyond. This GIFT will be full of fun and time for interaction as well as learning!

LENT 2018

- Pre-school through 5th Graders will have separate activities during the presentation.
- Middle and High School young people will remain with the adults as the presentation will be appropriate for them.
- Infant/toddler Child care will not be offered; the Cry Room will be open for parents of small children.
- Menu: Our popular "Just Because" breakfast with additions!

REGISTRATION INFORMATION ON OTHER SIDE!

Due Wednesday, February 21!
