### About our November Topic:

This award-winning documentary explores racial and socioeconomic inequalities in health. This segment will explore how and why diabetes affects Native American populations. November is both American Diabetes Month and National American Indian Heritage Month.

### 2018-2019 Sessions

We will be alternating between Wednesday and Thursday evenings with most sessions starting at 7.

**Location:** Join us at the Church of the Holy Name, corner of 37th Street and 11th Avenue S. Come to Garvey Hall located in our lower level. Signs will be posted!

### About our Facilitator:

**Ouida Crozier**, neighborhood resident and former Coordinator for Diversity and Cultural Competency in the Equal Opportunity and Access Division at the Minnesota Department of Human Services.
