www.churchoftheholyname.org

JUNE 2018

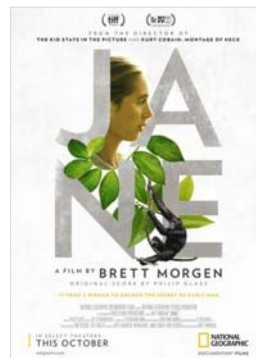

Please join us!

Holy Name partners with community members on topics of interest in our local area! Any adult is welcome to attend. Join us and bring a friend. We hope to get to know our neighbors better and provide chances for learning and conversation in a relaxed atmosphere.

Upcoming Session/Topic:

June 13, 7:00 p.m.

“Jane” *A new documentary on the life and work of Jane Goodall*

About our June Topic:

This film uses original footage of Goodall's early work, interviews and other information to create an immersive look into her revolutionary work with chimpanzees and the natural world. Jane Goodall was a pioneering scientist who challenged concepts and helped us better understand the world around us.

Just for June—

As we end our second year of Neighborhood Nights, we plan to have light snacks to share. We will provide beverages and some treats and you can bring your favorite snack to share!

Location: Join us at the Church of the Holy Name, corner of 37th Street and 11th Avenue S. Come to Garvey Hall located in our lower level. Signs will be posted!
