

NEIGHBORHOOD NIGHTS AT HOLY NAME!

ALL ARE WELCOME!

www.churchoftheholyname.org

DECEMBER 2017

Please join us!

Holy Name partners with community members on topics of interest in our area! Any adult is welcome to attend. Join us and bring a friend. We hope to get to know our neighbors better and provide chances for learning and conversation in a relaxed atmosphere.

Upcoming Session/Topic:

Dec. 13, 7:00 p.m. “HIV Update”

The science of HIV is ever evolving and progressing. With all of the new information, it can be difficult to separate fact from fiction when discussing HIV. This presentation will provide a review of the basics of HIV, along with updating participants on the latest information on HIV prevention and treatment.

Recent articles in the Star Tribune have pointed out that HIV/AIDS is an on-going problem in MN for over 8400 people and that HIV is becoming more drug resistant and more frequent in certain populations. World AIDS Day/AIDS Awareness Month is December so join us for this timely topic. Bring a friend and for learning and community-building. No cost/no registration. Coffee served.

Our Presenter: Chelsea Mathison-Sward, is the TEACH Community Education Coordinator for the Minnesota AIDS Project.

Location: Join us at the Church of the Holy Name, corner of 37th Street and 11th Avenue S. Come to Garvey Hall located in our lower level. Signs will be posted!
