Latino Americans: Peril & Promise

Sept. 12, 7 p.m.

About our Topic:

Join us for viewing and lively discussion of the PBS documentary: “Latino Americans: Peril and Promise” which covers the history of Latino Americans from 1980-2000’s. Latino cultures include Salvadorans, Guatemalans and Nicaraguans. This segment is focused on issues of language, immigration and assimilation. How does America’s largest growing population sector present both challenge and opportunity for our society? Will this group eventually become invisible as other groups have done in the past? Come explore what Professor Marta Tienda calls the “Hispanic Moment.”

Neighborhood Nights FALL 2019:

- SEPT 12 (Th) — Latino Americans
- OCT 16 (We) — Deaf Culture Awareness
- **NO COST– No registration needed**
