

CURRENT COVID POLICIES

Masks are no longer required during worship, but it is recommended that those who are not fully vaccinated wear a mask for the safety of their fellow parishioners. We have a section set aside for those who wish to wear masks and social distance, and we ask that you do your best to socially distance throughout the rest of the church as well. Individuals who are not fully vaccinated are required to wear at indoor parish events and meetings. We are relying on the honor system to enforce these guidelines.

We are also able to pass our collection baskets. Please look for your friendly Ushers at the end of each aisle during the offertory.

We will keep you updated as the situation progresses this summer. As we all adjust to these changes, we ask for your patience and charitable consideration of the needs of others.

Thank you!
