FOREST STREET ELEVATION

Campaign Update

As of Thursday August 2nd we have signed the contract with Deleer's Construction and will be moving forward with the renovation project as well as the new heating and air cooling system.

The anticipated start date is September 10, 2018 with a forecasted completion shortly after the first of the year.

We sincerely apologize for the inconvenience this will cause for those people we are most trying to serve through this renovation. Because the other two entrances that we will be depending on during construction, both having steps, we will respectfully ask that you not refrain from worship, but that you find a temporary home with one of the area's other churches that offer easier access. We will look forward to welcoming you back once the construction is complete.

We pray for a successful campaign, for all those that will be served by this renovation, for all those who have given of their time and talent to bring us this far and for the safety of all those who will be involved in the construction.

Help Us Reach \$500,000

To date we have raised **\$139,780.00** in pledges, from **20%** of our families, to the *Raise Us Up Campaign*. This is such a monumental time for the parish that we would like 100% of our parishioners and visitors to participate. If you need a pledge envelope, they can be found in the back of the church. We need gifts large and small to make our goal. What is more important is not the size of the gift but that we all make the same size sacrifice. We are grateful to the many parish leaders who have worked hard to get us to this point in the campaign. Prayerfully consider how God has blessed you during this year and how you can return a portion of those blessings to assist St. Theresa Parish. If paying by check, please make the check out to St. Theresa and memo *Raise Us Up*. Please indicate on the envelope when you would like to make your payments and you will receive a reminder. Your gift is tax deductible. Another great option for giving is through gifts of stock. Please contact the parish office at 715-546-2159 for more information. And as always you can set up a one time or recurring gift on line at
