Reviewed March minutes

We discussed an appeal from Real Presence Radio for fundraising help. They will be speaking after masses in sometime in September.

We discussed the phone scam that took place in the parish and diocese and the steps we've taken to try to prevent anything like this in the future.

We discussed religious education

- Highlights from the parent survey and discussion at the final FF session
- Instead of a special mass for First Communion, we will have the 2nd graders receive First Holy Communion at all three masses one weekend (they choose their preference).

We went over our guidelines for the cemetery, and we discussed possible guidelines for gravestone design.

Finally, Father proposed a question for reflection for our next meeting:

1. Are the people who aren't present in our parish open to being re-engaged in the faith?
2. What is the status of the faith in those who are present in the parish? What is the practice of the faith like for those in our parish?

From that conversation, we can talk about what we can do to meet the needs of the parish.

NEXT MEETING: June 17, in order to discuss this question and go over our annual budget
