

Mass Schedule

During the May cluster Parish Pastoral Council meeting, we began discussing the *POSSIBLE* need to seriously consider the current mass schedule for all cluster weekend Masses.

Over the past several years, we have been blessed with the option of having several visiting and retired priests celebrate our Masses. Beginning in July 2017, three of the priests that we have used during the past year have new assignments and are no longer available to help us. Several of the retired priests have expressed the desire to be 'more' retired.

Our current Mass schedule now requires at least two priests every weekend. We are faced with the real possibility of a weekend without enough priests to cover the current schedule. The cluster councils have been presented the task of soliciting ideas of how we can arrange the Mass schedule to accommodate the four English Masses per weekend, using one priest.

Currently, there are **NO** proposed solutions under consideration. Informational discussions will be held in the coming months. Once dates are finalized, we will keep you informed of when and where the meetings will be held.

Please keep our cluster community, council members, our leadership, and ourselves in your prayers as we discern these upcoming decisions.

Thank you & God Bless
