Gift of Grace

Grace simplifies life by filling us with the knowledge of unconditional acceptance.

Acceptance, although a gift of grace itself, lays the groundwork for more grace within the family. It creates a sense of security that "I am loved" no matter what happens. Such gracious acceptance builds loving bonds and intimate relationships between family members. Today, make it a point to show your acceptance for each family member.

Bless this year
with love and light.
Bless this year
with faith and sight.
Bless this year
with grace and ease.
Bless this year
with joy and peace.
