Prayer for Hurricane Victims

Gracious and loving God,
We ask you to calm the hurricane, gentle the rains,
and send clear skies for the recovery.
Spare those who were uprooted and dislocated
from further harm.
Help those in the storm's way to return to safety,
stability, and security.
Open our hearts in generosity to all who have no
resources, whether physical, spiritual, or
economic.
In all things and at all times, help us to remember
that when the storms of life come upon us,
you are always with us, leading us to shelter,
guiding us to safety, comforting us in our need.
We ask this through Christ our Lord.
Amen.

I have learned not to fear
suffering, because it's not
my enemy, but my
teacher.

I've encountered a deeper
love of God than I thought
possible.....Suffering has
been life-giving for me.

I just never recognized it
before.
