From the Parochial Vicar

Father Matt Malone, S.J., editor of *America Magazine*, (the previous editor of *America Magazine* was Father Drew Christiansen, S.J. who is well known by many in these parts through his ministry at Saint Ann's, West Newbury) describes in his weekly column, "Of Many Things" (August 15–22, 2016) the painful ordeal of losing his ability to hear, suffering a sudden and irreversible attack of tinnitus. The doctors described what happened as "idiopathic sudden sensorineural hearing loss," which he says was "a fancy way of saying I went deaf abruptly and no one really knows why." Father Matt's article really resonated with me because I too suffer with hearing loss. Unlike Father Matt, my hearing loss was gradual over many years. I was in my mid-forties when I found it necessary to begin wearing a hearing aid. And although many people have far greater physical challenges than I have, being hard of hearing, I believe, presents its own unique issues. Among these challenges are, where to sit at table, where to sit in a theatre or auditorium, are there background noises, volume controls, talking on the phone, restaurants that are loud with a lot of TVs all on, occasions where everyone is speaking at the same time, etc. etc. When you don't hear something you may ask the person to repeat. No need to shout! For me so often it is not a matter of volume as it is a matter of clarity of sound. "Garbled" and "muffled" I don't do well with. Most are understanding, but occasionally you might get, "Forget about it!" It's happened to me. As Father Matt offers, "If I may, a piece of unsolicited advice: 'Forget about it' is just about the most offensive thing you can say to someone with a hearing loss. If it was important enough to say in the first place, then say it again. It's not our fault that we didn't hear you."

Life presents each of us with challenges and I believe it is the challenges that we are presented with that offer us the opportunities to grow in self-knowledge, in the love and understanding of our brothers and sisters, and ultimately of our love and understanding of God.

One of the works of art that I used in our "Rediscover Catholicism" series earlier this summer (see cover) was a "one of a kind" "nothing like it in the world" masterpiece by

Matthias Grunwald, *The Isenheim Altarpiece* (1512–1516). Matthias painted this work for the Chapel of the Monastery of Saint Anthony in Isenheim near Colmar, which specialized in hospital work. The Antonine monks of the monastery were noted for their care of plague sufferers as well as their treatment of skin diseases such as ergotism, also known as Saint Anthony's Fire. Saint Anthony's Fire was a disease contracted by the eating of bread contaminated with ergot fungus, causing the sensation of being on fire, hallucinations, constriction of blood vessels, gangrenous extremities, resulting in death. The image Matthias Grunwald painted of the crucified Christ is pitted with plague-type sores and ergot symptoms, showing patients that Jesus understood and shared their afflictions. He is one who shared in all they were suffering.

Whatever our challenges may be, Jesus invites us to "Come to me, all you who labor and are burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am meek and humble of heart; and you will find rest for yourselves. For my yoke is easy, and my burden light."

Have a Blessed Week,
Fr. George

IC Religious Education

Amoris Laetitia...Pope Francis

Pope Francis released the Exhortation on the Family. In the weeks to come, you will be introduced to various statements from the Holy Father.

In #44—Families, in particular, suffer from problems related to work, where young people have few possibilities and job offers are very selective and insecure. Workdays are long and oftentimes made more burdensome by extended periods away from home. This situation does not help family members to gather together or parents to be with their children in such a way as to nurture their relationships each day.

Pope Francis: Year of Mercy

In this Jubilee Year, may the Church echo the word of God that resounds strong and clear as a message and a sign of pardon, strength, aid, and love. May she never tire of extending mercy, and be ever patient in offering compassion and comfort. May the church become the voice of every man and woman, and repeat confidently without end: "Be mindful of your mercy, O Lord, and your steadfast love, for they have been from of old" (Ps 25: 6). Confirmation

Confirmation Candidates need to compose the letter to Bishop Hennessey as **soon as possible** and send it by mail to me at 4 Green St., Merrimac, MA 01860, or email it as an attachment to: reledhrp@verizon.net. If you need the "how to write the letter" form, email Mrs. O'Leary and I'll email it to you or it is available for download on our web site under "Sacraments/Confirmation, Holy Redeemer Parish."

Also, service sheets are due from all of our Confirmation Students (Grades 9 and 10). You can drop them off at the white "mailbox" by the double doors in Merrimac.

Pancake Breakfast

Join us on Sunday, September 11 **after** the 8:00 Mass in Merrimac until 11:00am. The breakfast is complimentary *but* we will happily accept donations for *The Pelican Intervention Fund* (supporting Twelve Step-based programs for men and women living within the Greater Newburyport area who are struggling with addictive substances). This coordinates with HR Religious Ed. "Book Pick-Up." Please plan on staying for breakfast after you pick up your books.

Backpack Collection for Emmaus House

Please consider picking up extra supplies when you're back-to-school shopping. Last year we collected 25 filled backpacks for the Emmaus House in Haverhill. Containers will be placed inside the doors of St. Ann and Nativity churches. If you would like items picked up, please call Roberta Homan at 978-346-9448. Let's collect 35 this year!

Centering Prayer

Welcome All Members of Our Collaborative Family

The Centering Prayer group invites and encourages all members of our Collaborative family to join us on Wednesdays, 6:00pm–7:00pm, at Immaculate Conception Parish Center Charity Dining Room to learn more about this simple yet powerful prayer practice.

The daily practice of Centering Prayer, resting silently in God, facilitates the process of inner transformation. Our prayer without words is one of intention to surrender to God's presence and action in our lives and desire for a closer relationship with God. As God moves us closer to him, through our daily discipline of silent prayer, we find our focus turns from self to God and we are blessed with the fruits of Centering Prayer.

These gifts are not often apparent immediately and may be first noticed by others. Receiving these gifts is not the goal of Centering Prayer. We bring no expectations to this daily prayer as we surrender our whole self to God and trust in his love for us. The gift of God's love is our transformation to become the persons he created us to be. Through the grace of this silent shared time with God we may become more open minded, less prone to judge others, aware of what really matters and able to let go of what doesn't, accepting of our own basic goodness, and filled with inner freedom to act for God.

Please consider joining us as we pray in this ancient Christian tradition and together deepen our understanding of this prayer in our own spiritual journey. For information please contact Elizabeth McCarthy, 978-462-7483.
