## From the Pastor

Dear Parishioners,

A few years ago, I shared with you a story about a group of students who were gathered around a rabbi, asking the question, "when is it light out?" They asked presumably to know when they could begin their prayers for the day. The first student ventured it was light out when he could look at two animals in the distance and tell the difference between a dog and a goat. "No," the rabbi replied. A second student thought that it was light outside when he could look at two trees in the distance and tell the difference between a peach tree and a sycamore. "No," the rabbi replied once again. Then the students became frustrated and asked him when it was light outside. The rabbi replied that it was light outside when you can look on the face of any man or woman and see it is your brother or sister. "Because, if you cannot see this," he said, "then it is still very dark indeed."

This weekend's Gospel invites us to recognize Jesus as that great light who came upon a world covered in the darkness of sin and the hopelessness of death. The light He brought was not found on a particular wavelength of the electromagnetic spectrum, but rather in the resonance of our hearts longing for our Creator. Jesus gave us the one thing we could not bring about on our own: reconciliation with God through his Passion, Death, and Resurrection. From the early moments of his first preaching along the Sea of Galilee to his Ascension into Heaven and the sending of the Holy Spirit, Jesus sought to illuminate even the darkest corners of our world with the hope He brought for Eternal Life. Only through this radical oneness in Christ do we have true light. And, as we heard at Christmas and Epiphany, it is a gift for all people.

There are many in our world who cloud this light and want

## Winter Weather Mass Cancellations

Due to the hazards of travel and the safety of priests and parishioners alike, this winter, daily Mass within the Collaborative will be cancelled if either Pentucket Regional or Newburyport Public schools are cancelled because of inclement weather. Any Religious Education classes will also be cancelled on such days. WBZ Chanel 4 will have the updated school cancellation information. It is also available on their website at [boston.cbslocal.com](http://boston.cbslocal.com).

In severe situations, it may also be necessary for safety reasons to cancel weekend Masses. Please watch WBZ or consult their website for cancellation information.

Thank you for your patience and understanding. In all things, God gave us the gifts of wisdom, reason, and prudence. Let's use them wisely this winter and exercise sound judgment when considering going out in severe weather.

## Questions of the Week

**Adult:** When have you experienced being called by God?

**Child:** How do you follow Jesus today?

*(Continued from page 3)*

to remain in the shadows. It is more convenient, easier, more profitable and less painful to stay in darkness, and not venture out into the daylight of what God has done in Christ. I urge you to reject these powerful temptations to maintain the status quo and be unafraid to bring the Light of Christ out into our communities.

When is it light out?

It is light out when in the name of Christ we see ourselves in relationship with all peoples, all nationalities, all creeds, all colors, all tongues and languages, all backgrounds and personal histories. It is light out, when in the name of Christ, we see the homeless, the addicted, the felons, the illegal immigrants, the mentally ill, the pathologically obtuse, the ideologically insane and the habitually selfish as our brothers and sisters. It is light out when in the name of Christ we love them all just the same. Not because there is some benefit in it for us, but only because—simply because—Jesus loves them. We don't need, nor ought we seek, any other reason.

At the end of the day, Jesus came into this world to call us to love, radically. It is the path to Heaven. It is the way of the saints. It is the light that can cast away the darkest of nights. It is the very heart of God. And it is our duty as disciples to share this most profound of gifts, richly, with those around us.

Let's go and shed a little light on those who dwell in darkness, that they, too, might know the joy that is ours in Christ. Let's do it with great humility, profound reverence, unrelenting conviction and overwhelming love. Let's share the gift of Christ today.

Winter blessings,  
 Fr. Tim Harrison, Pastor

## Fr. Broderick's Scripture Study

**Scripture Study will meet on January 22, 2017**

Father Broderick's Scripture Study will **not** meet on its regular third Sunday in January but will meet on the fourth Sunday, January 22 at 2:00pm in the IC Parish Center. This would be an ideal time for interested members of the Collaborative to join the study group as we will begin the New Year by reading and discussing *The Gospel According to Matthew*, Chapters 1–4. Matthew wrote from a Jewish perspective for a predominantly Jewish audience that also included some Gentiles, probably in Antioch, Syria around 85 A.D.

Our beloved teacher, Father Broderick, not only explains the meaning of the Scripture passages, but also presents rich description of the period and places cited, as well as the culture and practices of the people involved. He connects the events in the New Testament to Old Testament prophecies and events, as well as to our own time. This is a worthwhile way to spend an hour and fifteen minutes on a Sunday afternoon. All are invited to attend these sessions and grow in knowledge and faith.

## Immaculate Conception School

Greetings Friends,

We are all so excited about the Immaculate Conception School (IC) annual Open House next Sunday, January 29, from 12:30–2:00 pm. This event will be a perfect opportunity for parents who are considering an affordable, private, faith-based education for their children, to learn about the IC. Visitors will have the opportunity to tour the school escorted by one of our middle school students, learn about our special programs and activities and meet with current families. Please join me and our devoted teachers and staff to see if the Immaculate Conception School is the right choice for you and your family. We will greet you and answer any questions you may have.

The Open House is also for all current parents. Visit your child's classroom to see recent projects. For example, in Mrs. Pike's first grade class you will see the students' animal reports. In Mrs. Lacefield's second grade class you will see owl houses and posters. In Mrs. Rivera's third grade class you will see various games, showcasing the students' math skills. All of the classrooms will have great student projects on display. This is a wonderful opportunity for you to see how learning is fun at the IC. Please also join us in the gym for refreshments and to meet our first-time visitors. Parents, please invite family and friends with school-age children to our Open House.

Prior to the Open House, all are invited to the 11:30 Mass at the Immaculate Conception Church to celebrate the beginning of Catholic Schools Week, the annual celebration of Catholic education in the United States. This special Liturgy is prepared by the Student Leadership Team. The celebration continues all week with festive activities at the school including the annual "Special Person Luncheon," ice cream served by our PTO, a dress down day, and this year, finishing up with our annual "Father-Daughter Dance."

The IC is unique. It is a private Catholic school in the heart of Newburyport where students receive an outstanding academic education in a faith-based, fun, and safe environment, where the emphasis is on respect, personal growth and developing individual potential. Research shows that students in Catholic schools score above grade level in reading, math, science, and social studies, and they benefit from a respectful and disciplined classroom with the freedom to learn.

The Immaculate Conception School educates young men and young women who go on to serve as role models, influencing our world through goodness and love in their words and deeds. In 2017, the IC's 135th anniversary, we are proudly celebrating this legacy.

I hope to see you at next Sunday's Open House. The Immaculate Conception School is a community treasure, one of which we can all be proud. Come and see why.

Sincerely, Mary Reardon, Principal

## IC Knitting Ministry

We meet every Tuesday at 1:00 p.m. from September–June at the IC Parish Center, Room 209. We knit prayer shawls, hats, mittens, and scarves and bring prayers and hope to people who are sick and to their caregivers and to celebrate happy occasions. We have also made and distributed hats and scarves to the hundreds of homeless children in our area.

Please come and help us to keep these boys and girls warm this winter and to send joy to our friends who are experiencing illness at this time. We are happy to help you brush up on your knitting or we can teach you to knit or crochet. Our membership is open to all. Please join us for knitting, fellowship, and tea (and goodies).

## IC Religious Education

### *Amoris Laetitia*...Pope Francis

Pope Francis released the Exhortation on the Family. In the weeks to come, you will be introduced to various statements from the Holy Father.

The Sacrament of Matrimony—In #74—  
“...the common life of husband and wife, the entire network of relations that they build with their children and the world around them, will be steeped in and strengthened by the grace of the sacrament. For the sacrament of marriage flows from the incarnation and the paschal mystery, whereby God showed the fullness of his love for humanity by becoming one with us. Neither of the spouses will be alone in facing whatever challenges may come their way. Both are called to respond to God's gift with commitment, creativity, perseverance and daily effort. They can always invoke the assistance of the Holy Spirit who consecrates their union, so that his grace may be felt in every new situation that they encounter.”
