## Questions of the Week

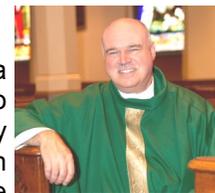

**Adult:** What are the evils in today's world that you pray God will free us from?

**Child:** Name some bad things that you pray that Jesus will take away from our world.

## From the Pastor

Dear Parishioners,

This past week, I was made aware of a number of our brothers and sisters who are ill due to the onset of a particularly nasty strain of the flu. There has been much media coverage as well about the unusual rise in flu cases compared to past winters. In response, health-care providers and public officials have issued many recommendations and suggestions on how to approach this public health issue. The Archdiocese of Boston, too, has offered its own guidelines to help ensure parishioners' safety and comfort at mass.

These approaches often embody one particular element: Common Sense. We human beings are creatures of habit, and sometimes we need an extra reminder to suspend what we always do for a period of time to achieve a greater good for the larger group. When looking at the prevalence of the flu, colds, and other winter illnesses, particularly when it comes to church and public worship, the following are good measures of Common Sense:

1. If you feel you are coming down with a cold or exhibit flu-like symptoms: **STAY AT HOME**. While we always want to see you in church, God will not strike you dead for missing mass on one or two weekends this winter because you are sick! Remember, God gave us a brain and expects us to use it. There is no obligation to attend mass if you are ill.
2. While the Church maintains that the ancient practice of receiving Holy Communion from the Cup, as commanded by Christ, is safe for healthy adults, the Cardinal has asked all parishes to temporarily suspend offering the Precious Blood to the faithful for the time being. We are reminded that the faith of the Church teaches that Christ, whole and entire, is received even under only one species.
3. At the **Sign of Peace** where a kiss, embrace, or warm handshake may be called-for, we are being asked, instead, to keep our hands joined together and offer a polite bow to our neighbors in the pew. No one will think you are rude or a snob. A smile added into the mix will go a long way to communicate Christ's loving presence.

## Volunteers Needed for Avita of Newburyport

Every Sunday, Avita of Newburyport Assisted Living brings residents to Mass at Holy Redeemer. They are in need of volunteers to escort residents from Avita to church and back on the Avita bus at 9:30 Sunday mornings. Please contact Debra Shapiro at [deb@avitaofnewburyport.com](mailto:deb@avitaofnewburyport.com) or 978-225-7000.

(Continued from page 3)

- Eucharistic Ministers** are reminded to wash their hands before offering Holy Communion, and again, afterwards. It is just good, common sense hygiene that when practiced by all will benefit everyone. Even the priests wash their hands during mass!
- If anyone is sick and is unable to attend mass for an extended period of time, please contact our Collaborative Office and we will make arrangements for you to receive Holy Communion in your home or in the hospital, nursing home, etc. where you are recuperating. If you can't come to church, the Church will come to you.

In addition to the above and always following the advice of your doctor, we encourage parishioners to get a flu vaccination, especially if you are in a high-risk group.

***A Common Sense approach  
to cold and flu season will help keep our Church  
a safe and healthy place for all!***

Winter Blessings,

Fr. Timothy Harrison, Pastor

## Scripture Study

### Scripture Study will meet on February 4

Father Broderick's Scripture Study will meet on the regular scheduled first Sunday of the month, February 4, at 2:00 p.m. in the IC Parish Center.

This would be an ideal time for interested members of the Collaborative to join the study group as we begin reading St. Paul's *Epistle to the Romans*. This letter was probably written in Corinth several years prior to Paul's actual arduous voyage to Rome as a prisoner. This is Paul's longest letter and widely considered to be his masterpiece. We will read and discuss Chapters 3–6.

Our beloved teacher, Father Broderick, not only explains the meaning of the Scripture passages, but also presents rich description of the period and places cited, as well as the culture and practices of the people involved. He connects the events in the New Testament to Old Testament prophecies and events, as well as to our own time. This is a worthwhile way to spend an hour and fifteen minutes on a Sunday afternoon. All are invited to attend these sessions and grow in knowledge and faith.

## Ecumenical Candlelight Taizé Meditation Service

The Groveland Congregational Church (4 King St., in Groveland) cordially invites the community to a candlelight mediation service modeled on the services held at the Taizé community in France. The service will take place on Sunday, January 28 at 7:00 p.m.

God is always with us, and yet we yearn for a closer connection. This month's service will focus on contemplation, following Jesus in his ministry, always returning to pray to the Father. In addition to readings from Scripture, prayers, petitions, and short, sung refrains, there will be an extended period of silent meditation as we sit together in the church's candlelit sanctuary. Come, and rest in the Lord.

The service lasts about 30 to 40 minutes. For more information, contact the church at 978-372-3463 or visit the website at [www.grovelanducc.org](http://www.grovelanducc.org).

## Landings

Last fall, we began a new ministry called LANDINGS, a program for Returning Catholics wanting to explore a more active return to the Catholic faith. We are pleased to report it was a success, not just for the two returning Catholics that we welcomed back to our church, but also for the active parishioners who participated as well. During this eight-week series of compassionate listening, the group prayed together, shared their faith journeys, and discussed their Catholic beliefs, all guided by the Holy Spirit.

A new eight-week LANDINGS will begin on Tuesday, January 30. One reason that many returning Catholics give for attending LANDINGS is that someone asked them. We urge you to think of someone you know who "used to be Catholic" or attends Mass only occasionally. God just asks us to invite them: the Holy Spirit will do the rest. What greater act of love this year than to reactivate your own faith, or invite someone back home to the church especially during the season of Lent? The full participation of every Catholic is a precious gift to our faith community. There is no pressure, just an invitation to explore the possibilities.

## Spiritual Adoption Program

### Program Kick-off

On January 21 The Collaborative of Holy Redeemer and Immaculate Conception began a special program inviting young and old to "spiritually" adopt a newly conceived baby and her mother and father. Students in Religious Education and all parishioners are asked to commit to praying daily for their "adopted" baby for nine months. Pledge and prayer cards will be available during Religious Education and at the entrances of the churches. We will be praying for unborn babies and their parents. While this child will remain unknown to his or her "spiritual parent," God knows who the child is so we encourage participants to name their child. Then watch the bulletin and the website for monthly reports describing your baby's development. At the end of nine months—October—we'll have a "baby shower" to collect items for Pregnancy Care Center.

### Watch here each month the Baby's Development

Thank you for participating in this Spiritual Adoption program. We hope you enjoy it. You will receive information with updates on your spiritually adopted baby's development each month via the bulletin and [www.hricatholic.org](http://www.hricatholic.org).

Already, your spiritually adopted baby is a wonder! Even though s/he is only one cell, everything about this little person is already present: eye color, blood type, how tall s/he will be, hair color—everything!

This baby will play a role in our community only s/he can play! This baby's parents do not even now s/he exists yet—please pray for them to safely bring their baby to birth so s/he can fulfill the mission God has planned for her/him.

## IC Religious Education

### *Amoris Laetitia...Pope Francis*

Pope Francis released the Exhortation on the Family. We continue to review the various statements from the Holy Father.

*The World of Emotions:* In #144: As true man, Jesus showed his emotions. He was hurt by the rejection of Jerusalem (cf. Mt 23:27) and this moved him to tears (cf. Lk 19:41). He was also deeply moved by the sufferings of others (cf. Mk 6:34). He felt deeply their grief (cf. Jn 11:33), and he wept at the death of a friend (cf. Jn 11:35). These examples of his sensitivity showed how much his human heart was open to others.

## IC Haiti

The Father Marc Piché School had a successful fall semester. We had 206 students return and take advantage of all our health care and food program. In addition, we had 14 students continue on with 7th grade at the St. Francois secondary school in Fond-des-Blancs. We should all be very happy and proud that we were able to provide an extension of education for our students to 7th grade. This is a huge and important step with providing a full primary and secondary education for the youth of the Puit Chacha community.

This year's teacher training took place from October 30–November 3. Twenty teachers participated in the training, eight from the Chacha School and twelve from four other schools in the parish. The training focused primarily on various methods to best prepare a class as well as effective methods to teach French. The trainers started with a pre-test to determine the base level of understanding of these topics. Throughout the week, teachers used brainstorming techniques, general presentations, and practice sessions to teach training materials. A final test was then used to evaluate the changes. Many teachers' scores improved by 400% from the pre- to final test following the training. The participants were excited to have taken part and demonstrated a solid understanding of the presented material. The group expressed interest in having the same training for science and math classes in the future.

IC Haiti is grateful for the opportunity to provide an ever-improving educational program for the community of Puit Chacha. We have appealed to the parish four times a year to make this possible, and we are happy to report we are currently in a strong financial position to continue to finance the Fr. Marc Piché school as well as to support health programs provided by the Saint Boniface Hospital in Fond-des-Blanc.

A few weeks ago we received a letter from Conor Shapiro, the C.E.O. of the Saint Boniface Haiti Foundation, our partner organization in service to the people of Haiti. Here is an excerpt from his letter that we think you will find inspirational.

“Eight years ago this month disaster struck Haiti. The earthquake lasted for less than a minute, but its impacts reach to today and likely far into the future. No one in Haiti was untouched. Everyone has friends or family who were lost or injured. Everyone hurts in remembering that day. Every year, January 12th is a difficult and somber day in Haiti.

I know you stand with me in remembering those who were lost, honoring those who survived horrible ordeals during and after the disaster, and celebrating the resilient and optimistic spirit of the Haitian people who said ‘we can recover, we can move forward, we will survive and thrive again.’

So this month, let's lift up that truth about the Haiti we know, and the incredible Haitian people we are so honored to work with, side by side.”
