Mass Scripture Readings

The Scripture passages read each day at Mass can be found on the United States Council of Catholic Bishops' website at bible.usccb.org. Praying with the Scriptures daily is a wonderful way to deepen our relationship with Our Lord and to discern how best to serve God as an intentional disciple of Christ.

(The free App "**Laudate**" allows you to access the daily Scripture readings on your cell phone.)

From the Pastor

Dear Parishioners,

The Gospel stories of lepers being cleansed are certainly dramatic, as images of putrid skin suddenly becoming renewed and fresh send our minds in all kinds of fantastical directions. Although there were many virulent illnesses that plagued people in a time before most formal medical care was available, the Scriptural references to "leprosy" were most likely not what we would formally recognize as "Hanson's Disease" today. Instead, they likely were instances of many common, and often temporary, rashes and infections. Think: psoriasis, poison ivy and eczema. What made these or any other form of skin disease so confounding, was the very high value that the Jewish people placed on wholeness. Clear, unbroken skin was an essential trait to be able to offer oneself purely before God and in service to the Lord. To come into contact with someone who was impure or "unclean" was to suffer ritual impurity and the need to endure a lengthy cleansing process to enter back into common worship and society. The unclean, were to keep their distance and remain apart from family, synagogue, and work until such a time that they had been freed from their illness AND certified as clean by the priests. Then, they could re-enter the life of the village and community. Far more isolating than any COVID-related quarantine, ancient "leprosy" was damning in every way—it took the afflicted away from family and friends, deprived them of their livelihood, and alienated them from the worship of God. In a highly community-oriented society, it was a fate worse than death in many ways.

This is why Jesus' healing of the lepers was so dramatic. He was not just curing a skin condition that might have been uncomfortable or painful, He was healing the lepers of the deep suffering that came from being kept away from all that is good and holy. He also was healing the community that was suffering their absence. To "certify" their healing, Jesus tells the ten to go to the priests that they could be re-admitted to the life of the community. The Samaritan, however, couldn't do this, as he would have been rejected by the Jewish priests because he was a foreigner. So he did the only thing he thought of, he returned to Jesus, who was the source of the healing, giving proper praise to God. And Jesus reveals the deeper purpose behind the miracle—that it was not just to help out ten unfortunate outcasts, but to call people to faith through their gratitude, thus bringing about a properly restored community.

This gives us a glimpse of the bigger picture of Jesus' mission of salvation. He came, not just to cure us individually from sin, but to restore the wholeness and harmony of the entire People of God, that none should be excluded or alienated because of the affliction of sin.

(Continued from page 3)

Gratitude for the restoration to wholeness opens the heart to a deepening of faith and a greater trust in God.

While most skin ailments are easily cured by over-the-counter ointments or with proper medical treatment today, the deep wounds of sin and death are only healed with the love and mercy of God poured out for us in the person of Jesus Christ. May we open our hearts to receive His love for us today. Not only will we be blessed by His saving presence in our lives, but our whole world will be the better for it.

Fr. Timothy Harrison, Pastor

The Sacrament of the Sick

The **Anointing of the Sick** is one of the seven Sacraments of our Church and is administered by a priest for healing and inner wholeness. Those who are seriously ill, elderly, or are entering the hospital can request to be anointed. Due to varied schedules and availability, it may not always be possible for a priest to come on short notice to offer the Sacrament, therefore it is strongly recommended that you request the Anointing of the Sick **before going in for a hospital stay, upon entering a nursing home, or at the beginning of hospice care.** Please call Collaborative offices at 978-462-2724 or 978-346-8604 to learn more.

Centering Prayer/Lectio Divina

We welcome all members of our Collaborative community to join us each Wednesday 6:00-7:00 p.m. via Zoom for 30 minutes of Centering Prayer, silently resting in God and surrendering and assenting to God's presence and action in our lives, and 30 minutes of reading Sacred Scripture in group Lectio Divina. Both practices strengthen our faith and reliance on God and deepen our personal relationship with God. For more information, please call Elizabeth McCarthy, 978-462-7483.

Fr. Tim and some furry friends who came for the Blessing of Animals on the Feast of St. Francis of Assisi following the Immaculate Conception School Mass this past Tuesday.

Immaculate Conception School

The Immaculate Conception School Get Movin' Fun Run was held last Friday, September 30.

Led by the 8th grade students, every class gathered outside to dance, stretch, hula hoop, do the monster walk, and just enjoy some exercise and laughter. The school mascot, ICY the pelican was on hand to pump up the excitement. Each class was dressed in theme costumes, which they voted on as a class. The Pre-K children were dressed as superheroes, while the 4th graders were bananas. As each class arrived at the event, the 8th grade students formed a tunnel to welcome them. Interacting with the younger students

is part of the fun for the 8th graders, who enjoy leading this fundraising tradition. At the end of the day, the whole school came together in the gym to watch the 7th grade take on the 8th grade in basketball. This portion of the Fun Run included the presentation of class banners that depicted the class theme. Finishing off the day was a short "dance party" that organically resulted in a whole-school conga line through the gym to the song, "We Are Family" by Sister Sledge. Many PTO parent volunteers made the Fun Run possible. Although donations are still coming in, the IC met its fundraising goal of \$25,000, which will support the children's education with enrichment and field trip opportunities for all grades.
