## Laudato Si Series

The last meeting of the Laudato Si series 2022 calendar year is planned for **Monday, November 21 at 6:30 p.m.** in IC St. Louis Hall.

The speaker will be from Black Earth Compost, a local company which reduces environmental impact by collecting food and other waste and recycling it into high quality compost for use in commercial landscaping and home gardening. A fascinating business model we would all learn about.

Save the date! We look forward to seeing you all there. Bring a friend; all are welcome.

## 2nd Collection November 20

### Retired Religious Sisters

Next weekend the Archdiocese will take up the collection for Retired Religious Sisters. Since 1988, the collection has provided needed financial support for religious communities who have served the Archdiocese of Boston as educators and health care and social service providers. Please give generously in recognition of the Sisters' years of dedicated service. For more information, please contact the Delegate for Religious at 617-746-5637.

## Collaborative Pastoral Council

We would like to invite any of our Collaborative members to join our meetings, giving you a chance to listen to our discussions and to comment or ask questions at certain points in the meeting. Our next meeting is scheduled for **Saturday, November 24 at 10:00 a.m. at IC St. Louis Hall**. If you have any concerns or questions about the work of the Council or would like to join the meeting, reach out to Jim at [Jimwilliamson35@gmail.com](mailto:Jimwilliamson35@gmail.com).

## Youth and Adult Altar Servers

As we return to "life after Covid," we are excited to be able to once again welcome altar servers at all of our Masses. We are in need of servers for all weekend Masses at all three Collaborative churches.

Any individual who is 4th grade or older and has made their First Communion is eligible to become an altar server. We also welcome any adult who might be interested. This is a wonderful way to serve our parishes and our Lord.

Training will be provided. If you are interested in serving, please call Collaborative offices at 978-462-2724 or 978-346-8604 and ask for Melinda or Christine.

## IC Haiti News

### Speaker on the Unprecedented Humanitarian Crisis in Haiti

We are pleased to announce that Conor Shapiro, CEO of Health Equity International (IC Haiti's "eyes and ears" on the ground in Haiti), will speak briefly at the 9:00 a.m. Mass **Sunday, November 13** about the unprecedented, humanitarian crisis going on in Haiti. Then join us after Mass, in the IC Parish Center for an in-depth analysis of the situation, particularly as it is affecting the school community in Puit Chacha and the hospital in Fond-des-Blancs.

An unprecedented, ongoing humanitarian crisis is taking place throughout Haiti. An unstable government and a lack of properly equipped security forces have allowed numerous gangs to take control of large portions of the country. The country's supply chains for essential goods, such as food, water, fuel, and medicines have been cut off by gang takeovers and subsequent blockades of main ports and roads. Travel has been brought to a standstill; and the country has experienced widespread closures of banks, schools, and markets. Food insecurity is now a severe problem for over half the country's populace.

The Fr. Marc Piché school's administration in Puit Chacha cautiously evaluated the risk to students in our region and decided it was safe enough to open on October 11. Although the school experienced reduced attendance on the first days by 40%, we are pleased the students are back in session and that we are able to provide them with our lunch program again despite inflationary food prices.

Please go to IC Haiti website [ichaiti.org](http://ichaiti.org) where you will find a link to a webinar rebroadcast on YouTube entitled [Virtual Update: Upholding Care Amid Countrywide Crisis Oct. 13, 2022](https://www.youtube.com/watch?v=VtUgUgUgUgU). There you will find a very thorough description of what's going on in the Southern peninsula of Haiti where the Fr. Marc Piché Elementary School and Saint Boniface Hospital are both located. Suggestions for ways to help are offered at the end of the webinar.

The Board of Directors for IC Haiti will consult with the leadership at Health Equity International to determine how best to use funding to address the current crisis. Health Equity International is the nonprofit organization that runs the Saint Boniface Hospital in Fond-des-Blancs and oversees our school in Puit Chacha. This nonprofit is IC Haiti's "eyes and ears" on the ground in Haiti.

## The Sacrament of the Sick

The **Anointing of the Sick** is one of the seven Sacraments of our Church and is administered by a priest for healing and inner wholeness. Those who are seriously ill, elderly, or are entering the hospital can request to be anointed. Due to varied schedules and availability, it may not always be possible for a priest to come on short notice to offer the Sacrament, therefore it is strongly recommended that you request the Anointing of the Sick **before going in for a hospital stay, upon entering a nursing home, or at the beginning of hospice care.** Please call Collaborative offices at 978-462-2724 or 978-346-8604 to learn more.

## Remembering Those Who Have Died

November has traditionally been a month in the Church's liturgical calendar when we are called to pray for the dead and confront our own mortality. Over the years, parishioners of Immaculate Conception Parish have embraced a beautiful custom of remembering loved ones who have passed through the creation of a small shrine for the dead. During the month of November until the beginning of Advent, parishioners are invited to place a small picture of their deceased loved one on the side altar near the baptismal font and ambry. Together as a community of faith, let's pray for those who have passed, that they may experience the fullness of the Heavenly Kingdom where we hope to one day join with them at the eternal banquet table.

Members of the Blanchette Family celebrated the Sacrament of Confirmation this past weekend at Immaculate Conception Church for Nick Blanchette and posed for pictures afterwards with Bishop Hennessey and Fr. Tim Harrison

## Immaculate Conception School

The Nation's Report Card was released at the end of October, thus quantifying the 2022 National Assessment of Educational Progress. Achievement for reading and math among fourth and eighth graders in the US dropped since 2019 in almost every state, confirming the learning loss from the pandemic that we all feared. There was one bright spot however—the success of Catholic schools, now the highest scoring group of students in the country. Multiple news articles articulated that learning in-person was the difference as Catholic schools remained open, while public school systems were closed.

Perhaps true, but there's so much more to our Catholic success. Yes, Catholic schools were able to pivot far more adeptly than public school systems. When news of the 2020 shutdown became real, we crafted a plan within hours, communicated it to school families, and began a process that would be adjusted and adapted, as needed. We committed to working together to get through the unknown while staying connected to our students, and listening intently to what worked and what didn't. The educators put plans in motion, but our students did what they do best, day-in and day-out, pandemic or not, their school work! Not some of the work on some of the days, but all of the work on all of the days. That was our expectation. As quoted by the Superintendent in *The Daily News*, the hope in Newburyport public schools was that 50% of the students would do 50% of the work. The exceptional work ethic that Catholic schools expect remained in place during remote learning and during the 6-foot distanced 2020–2021 school year. The strong student-teacher relationships that our small schools cultivate provided a safety net for those we knew would struggle, and those that unexpectedly faltered. We met with students virtually well beyond the 3:00 p.m. end of the school day, to review lessons, pray together, or just chat. Some school traditions were put on pause, but as I have featured in this bulletin many times, we found ways to adapt and improve those important experiences for the students to keep us connected as a school family. Catholic school children rank highest in the nation in reading and math because of factors that contribute to a meaningful learning experience rooted in faith, family, and figure-it-out-itude. Praise God!

## IC Mission Appeal: Nov. 26–27

*Mission Appeal by the Benedict XVI Institute for Africa*

As the Church in Africa grows and participates in the New Evangelization of the world Church, the need for a proper formation of the clergy, religious, and laity becomes all the more acute. Integral to this mission of the formation of Church leaders is their formation in theology and spirituality, while paying attention to the cultures of the peoples of the vast continent of Africa.

The purpose of the Benedict XVI Institute for Africa, therefore, is to promote theological and spiritual formation of Church leaders across the African Church, particularly African Theological Faculties, Seminaries, and Religious Houses of Formation. We have been at the forefront of the theological, spiritual, and cultural development across Africa, especially in seminaries, houses of formation, and universities.

The recent years have been very challenging for all, with the COVID 19 pandemic. Unlike the counterparts in the Western world, African seminaries, houses of formation, and schools generally do not have access to computers and WIFI. The Benedict XVI Institute for Africa, therefore, is actively engaging on making these basic tools of learning available to different seminaries and local Churches in Africa, and your support will be very much appreciated.

Yes, the times are tough, but be mindful that your widow's mite could just be a lifeline for many peoples in the continent of Africa, as we struggle to provide not only educational and formational materials, but likewise medical support as well, which is part of the caritas arm of the Benedict XVI Institute for Africa. Thank you so much that you are able and willing to help. Be assured of our prayers for you and yours.
