

June 2020

Dear Friends in Christ,

I hope that his letter finds you and your family safe and well. I want to take a moment to thank you for your ongoing support of our parishes, especially during these difficult days of the pandemic. I am especially grateful for your generous help during the initial phase of the **90-Days Now –For Your Parish** initiative. As you may be aware, **90-Days Now** encourages parishioners to rally around their parish, or another parish of their choice, by making a special daily offertory commitment for the next 90 days. This effort is intended to supplement weekly offertory gifts, given the challenges of the current crisis. In Phase 1, the program raised more than \$450,000 for 236 parishes. The parishes of our Collaborative have received already more than \$15,000 from your generosity through this initiative!

As we launch phase 2 of the program, a generous anonymous benefactor has stepped forward to pledge a match gift when the overall campaign reaches \$700,000. I want to thank all those who gave through the program, and to encourage your continued support to help reach the donor's match.

Should you choose to participate in this effort for Phase 2, the Archdiocese has created an easy- to-use link to donate. Please note: ALL FUNDS GO DIRECTLY TO OUR PARISHES. The link is available by going to www.BostonCatholic.org/donate.

I understand these are challenging times and many individuals and families may not be able to contribute to this special offertory collection right now. However, I remain extremely grateful for your prayerful support for our parish communities and the wider Church.

Remembering you and your loved ones in my prayers daily,

Fr. Timothy A. Harrison
