Dear Parishioners and Friends,

For his Eagle Scout Project in 2009, Michael McGeever raised funds and built the St. Anthony Meditation Garden behind the church. This garden has provided a quiet space for anyone wishing to spend time in prayer and reflection or even chat with a friend.

This paver project will add a walkway to the area and will also provide donors with an opportunity to have a stone in memory of a family member, or friend, in honor of someone or a local business supporter.

The project will also produce surplus funds which will add to the parish savings account. I would like to see this account grow and this is one of the ways you can assist in helping our church become financially secure and be prepared for upcoming projects needed at our church. Thank you for assisting us in this endeavor and your continued support.

Sincerely yours in Christ,
Rev. Gregory (Grzegorz) Jaworowski
