

2020/2021 Fundraising Goals

Increase Offertory Fund by \$160,000:

This fund is set up to support the parish operating expenses and used to maintain church buildings and programs. This fund helps St Patrick Parish live out our mission "St. Patrick Catholic Church exists to encounter Jesus by loving as commanded by Jesus Christ, serving as exemplified by Jesus Christ , and making disciples as commissioned by Jesus Christ."

If only 150 Parish families gave \$21 more per week we would achieve this goal.

\$60,000 Shamrock Society Fund:

This fund is a tax-deductible way to support the mission of the Parish and is segmented out into giving circles that represent and celebrate you, our parishioners. Please prayerfully consider giving to this fund to ensure stability for our church and to continue to grow disciples in His name.

\$100,000 Preserve the Shield/Bergan Fund:

This fund is set up specifically to assist in the areas of greatest need for Archbishop Bergan Schools. As a Catholic school we rely heavily on this fund and the generous support of our donors to make up the difference in tuition revenues and the cost to educate. This fund also helps with typical operating expenses that are encured throughout the year.

Enrollment Goal of 450 Students:

With the introduction of the referral programs and the excitement about the different things happening here at Archbishop Bergan Schools we are excited to commit to increasing our enrollment numbers to a total of 450 K-12 Students.

EVENTS

\$330,000 Fundraising Events for 2020-2021:

Our goal is to continue our long standing tradition with three main events: Knight Event, Shamrock Dinner, and The Parish Festival. These events help us to celebrate our close knit community within Bergan and St. Patrick Parish. Our goal with these three events is to raise a net total of \$330,000.
