St. Bartholomew was founded by Jesus Christ himself, he gave us the church and "He teaches us he will never leave us and be with us always. He gave the disciples the responsibility to lead the church and that responsibility live on today through us. There are many people, of course, who have given tremendous time, talent, and effort to build St. Bartholomew parish. We belong to Jesus Christ in our commitment to his church and entrusted us with God's mission. "Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you." Matthew 28:19-20. All parishes across the world are charged with spreading the gospel. We have not been as intentional in making disciples as we should have been and if we don't do anything nothing will change and we will continue to lose families.

Commitment we will ask for from our families who register for St. Bartholomew Faith Formation program

*First and foremost following the commandments: Most especially keeping the Sabbath Holy, attending Mass not because WE require it but because God does. Above everything else we offer here this is more important than anything we do.

*Registered member of St. Bartholomew, we will no longer accept those not registered, we are building a community and it starts with the community at the Mass.

*Your family is committed to Family Catechesis monthly, students will not be permitted to be dropped off on these days.

*Parents will attend the sacramental retreats with their students. Babysitting for younger siblings will be available.

*More than 3 absences will be considered excessive. If your student/family will be unable to attend class/family catechesis you need to contact the coordinator of faith formation prior to the absence.

*At the high school level in the small group setting parents will contact the small group leader prior to the absence, if there are 3 or less that group will reschedule their session.

Our Religious Education Program is mandated by the Bishops of the United States to in-service all students annually regarding Safe Environment and Child Abuse Protection. Your child will receive this in-service sometime during this Catechetical year.

I give permission for my child to be photographed for parish promotions on social media, newspaper (both local and diocesan), and our bulletin.

I give permission for my student to receive group text message reminders and uplifting Catholic videos and memes. They will never be sent outside of a group message and will not require a response from the student. In compliance with the policy of the Diocese of Erie. The pastor will not be texting students nor will he have access to their cell phone number.

I release St. Bartholomew's and individuals from liability in case of accident during activities related to St. Bartholomew's, as long as normal safety procedures have been followed.
