March, 2018

We are called to be stewards to manage all that belongs to God. God has generously entrusted us with the care, development and enjoyment of everything he created. As his stewards we are responsible for the management of his gifts. With this in mind, please consider your offering in the service of God.

The top portion of this form should be detached and included with your contribution to the parish. The back side allows you to direct portions of your contribution to specific purposes.

Each month, the Human Concerns Commission researches a number of deserving charities and selects one for us to contribute to. The charity for this month is highlighted below. In addition to this letter, this mailing includes a Holy Week schedule and a slip for your Easter contribution to your parish; thank you for your ongoing generosity. The greatest liturgical celebration of the year is the Easter Triduum. It consists of Holy Thursday Mass of the Lord's Supper, Good Friday Celebration of the Lord's passion and Easter Vigil. Each of these three offers a unique opportunity for spiritual enrichment.

We thank you for your continued support of the parish and we wish you a Holy Lent and a very Happy Easter.

Sincerely,

Your Stewardship Commission

Here is how I want my contribution for the month to be split/distributed

CATHEDRAL CENTER

The mission of The Cathedral Center, Inc. (CCI) is to provide a safe environment for women and families while working to end homelessness, one life at a time. Located in the heart of downtown Milwaukee, CCI is an emergency shelter and case management provider that serves those who do not know where they will sleep next, are doubled up, moving from house to house, or who have a pending eviction. For over 10 years, CCI has transformed the lives of women and families by offering access to safe shelter and compassionate and supportive services that replace despair with hope, uncertainty with stability, and offer a brighter future for nearly 1,000 vulnerable women and families with children each year.

We serve individual women and families with children who are homeless or experiencing a housing crisis. CCI clients live in poverty and are either unemployed or under-employed. The majority are individual women and single mothers with children, though more single fathers and traditional families have found their way to our doors in recent years. While all clients have a unique story and circumstance, the common thread that binds them all is that they have lost a healthy network of support—or they never had one at all. In 2014 The Cathedral Center provided shelter and supportive services to 453 single women and 69 families (157 children) which translates to over 19,000 shelter nights (heads on beds). In addition, 85 Milwaukee families (200 children) and 23 single women received community case management services; most avoided shelter altogether.
