January, 2020

The month of February often brings to mind thoughts of heart health or perhaps Valentine's Day, when we share our love with someone special. Let us also be mindful of the Sacred Heart of Jesus & his unfathomable love for each of us. Consider how we can express our love for one another by uniting in faith & sharing what the Lord has blessed us with, namely our time & talents. Is there a need in the parish that we can fill? Even the smallest of effort is so much appreciated and always rewarding.

The top portion of this form should be detached and included with your contribution to the parish. The back side allows you to direct portions of your contribution to specific purposes.

Each month, the Human Concerns Commission researches a number of deserving charities and selects one for us to contribute to. The charity for this month is highlighted on the opposite side. We thank you for your continued support of the parish. May God bless you.

Sincerely,

Your Stewardship Commission

RONALD MCDONALD HOUSE

The Ronald McDonald House in Milwaukee has been a “home away from home” providing more than 36,000 family stays. These families come from 569 Wisconsin communities, all 50 states, and many countries around the world whose children are receiving medical care at Children’s Hospital of Wisconsin or other area hospitals. Last year we provided nearly 1,000 family stays. We offer a place to call home at little or no cost, so families can stay together. Many families try to contribute what they can—even if it’s the suggested \$20 a night donation. In reality, our cost is \$100 per night.

No one is ever turned away for their inability to pay. The House is more than just a place to stay. We offer families therapeutic programming, a comprehensive meal program, comfortable community spaces and so much more. A team of over 600 volunteers and a small dedicated staff who are always ready to do whatever it takes to make a family’s stay a little easier. Living in a community, side by side, families form friendships and support one another through difficult times. With our expansion we hope to never turn away another family who needs a “home away from home.” RMHC Eastern Wisconsin recently completed a four story, 26,400 square foot expansion with 32 additional guest rooms allowing us to serve up to 70 families each night! -
