February, 2017

Greetings in the Lord. We are beginning the most important season of the liturgical year: Lent. During this season we reflect on the immense love of God who spares not only His Son for our sake. We listen and respond to his loving call to repent and return to him. He wants to save us. God carries the work of sanctification through the Mass, the sacraments (especially sacrament of reconciliation) and through the scriptures that we may find life in abundance.

During this Lent the Lord is offering us a very special opportunity to taste his goodness. The Lord invites each of us to fully participate in the **PARISH MISSION on March 27, 28, 29 and 30 from 7:00 – 8:30 PM**. Please do not turn a deaf ear to His call. Please mark your calendars and come to draw living water from the four day mission directed by Fr. Dick Mevissen, CSsR. We will experience the power and the love of the Lord who fasted and prayed forty days and nights, and suffered and died out of love for us. It will also be a great occasion to be with your parish family. We will also have the privilege to listen to a few members of our parish family briefly sharing with us their journey of faith.

Some are preparing to be formally received into the church and/or be Confirmed during the Easter Vigil. Earlier this month I was at St Jude's where 54 young people are preparing for confirmation. Four are from our parish. Please support them and pray for them.

Thank you for all the ways you support our parish, though your prayers, through your participation in the liturgy and through your financial contributions. God bless you.

## Linking Older Adults with a Caring Community

**Providing services for older adults and family caregivers throughout Milwaukee County.**

Since 1975, Interfaith provides the necessary support seniors need to remain living safely in their own home, stay engaged in their community and get the best out of their later years. Supporting caregivers of older adults is also an important part of our mission. Interfaith offers free, innovative programs specifically designed to maintain the highest level of enjoyment, wellness and independence possible for older adults, including:

Transportation

Friendly home visits

Telephone safety checks

Help with house/yard chores

Hot, nutritious meals

Individual and group fitness

Job readiness training

Career counseling

Volunteer opportunities such as tutoring and helping out at hospitals, day care and developmental centers

Day trips and travel

Senior center activities like arts and crafts, woodworking and dance

Civic engagement such as helping veterans

Being a senior ambassador

Caregiver resources and respite

And much more
